

IT PAYS

TO BUY GOOD SHOES: not always the highest priced shoes, but shoes that stand the service to which they are put. A rancher shouldn't use a fine NETTLETON SHOE for irrigation purposes; it isn't built for that use. Nor should a preacher or doctor buy a brogan for their uses. Buy a shoe for the use you wish to put it, but buy a good one: we have them and we want everybody to see them.

Our 30 Days Sale

Of odd lots and broken sizes is still on. We have a repair shop in connection, where you can have your work done right.

Choose Your Druggist Carefully

A druggist can do more harm or good than most people give him credit for.

There are different qualities in drugs, just as there are in dry goods, and to the outsider all qualities go by the same name.

The difference between pure, high grade drugs, and cheap, inferior drugs of the same name means the difference between getting sick and keeping well. When a doctor writes a prescription they think only of big profits.

Change your druggist carefully.

ST. CECILIA CLUB.—The St. Cecilia Music club will hold its regular monthly meeting in Miss White's studio at 12 North Fourth avenue on Friday evening at 7:30. Subject, Chopin.

KNIGHTS OF RHODANSA.—The members of El Yemmanah Temple, Knights of Rhodansa, will go to Prescott on July 24 for the purpose of enjoying the Fourth of July festivities and incidentally to initiate a class of from 20 to 30 tyros into the mysteries of the order.

SUNDAY SCHOOL SOCIAL.—The Sunday school of District No. 14 will enjoy a social and general good time at the schoolhouse tonight, Friday, June 28th. A short program will be rendered, and a small charge will be made for the refreshments consisting of ice cream, cake and lemonade. All friends are cordially invited.

PRESCOTT'S NEW LIBRARY.—Prescott is getting to a point now where she can begin to figure on her new library building. In another column of this issue will be found the advertisement for bids for its construction. A nice library building is one of the things any town that has one should be proud of and Phoenix, extending congratulations to her mountain neighbor.

AN ARRIVAL FROM THE SOUTH.—Among yesterday's arrivals from the south was Samuel Dennis, late of Yuma. Dennis has been serving a part of a term for assault with intent to commit murder, and it was God's mercy and his own imperfect aim that prevented murder. He had a grudge against a storekeeper at the Senator mine and when he indulged himself with liquor he influenced and exaggerated his grievance. He discharged a gun into the store and came within an inch of killing a woman. Dennis was ordinarily a good citizen, and when it became apparent that he had had time to accumulate different ideas of his duty toward himself and to society he was pardoned.

GOING TO MANILA.—A man named Hennege, but better known by the nickname of Friday, returned here yesterday after an absence of five years. He went to Manila along with the army of occupation and spent some time there, returning to America by the European route, thus completing his tour of the world. He visited the Paris exposition and spent some time at Monte Carlo, which was an attractive place for him, and he is something of a sportsman. Since last September he has been in Silver City, where he runs a big sporting house, which he disposed of recently. He is glad to get back to Phoenix, but says there is no place in the world that has so much attraction for him right now as Manila, and he expects to leave here next Monday night with that as his objective point. J. E. Finley is making arrangements to accompany him.

FIGHTING FOR FREEDOM.—Baron Valentin is still in the city jail fighting for freedom, and more particularly for the removal of his name from the list of vagrants. He is under accusation on that charge and says it is not true. He admits having been held in the county jail for more or less extended periods on suspicion of being a horse thief, a burglar and some other crimes. But these things are liable to happen to any man, and there is a dignity about a charge like that, that for Baron Valentin takes the sting out of its wounding feelings. But to be held as a vagrant cuts him to the quick. Yesterday he pleaded not guilty before the city recorder and yesterday his trial was begun. He had a long list of witnesses, and they said all they could for him but there were still others to hear from, and as the hour was getting on the case was further continued till today. The men proved conclusively that he has worked some time, and can work when he wants to, still his general reputation is not that of a Sunday school boy and he has introduced no evidence to show that he has taken over himself in his struggle for work during the last two weeks.

SUNDAY SCHOOL SOCIAL.—An afternoon social was held on the lawn at the McKee home on the Tempe road by the Wilson district Sunday school. A very enjoyable evening was spent. Following is the program rendered: Song, "Jesus, Lover of My Soul"; recitation, "The Crisis of the Plan"; May Chant; song, "Have Courage, My Boy, to Say No"; young people's recitation, "The Reason Why"; Letta McKee's duet, "Can a Boy Forget His Mother"; Mr. Wilson and Mr. Charles recitation, "What Are Little Girls Good For"; Mrs. Ruth and Edna Tait; song, "Only a Beam of Sunshine"; young ladies' recitation, "Lynn Newcom"; recitation, "Vera McGee"; song, "Fay Newcomer"; song, "Life Is Like a Mountain Railroad"; Mr. Wilson and Mr. Charles; closing hymn, "I Love to Tell the Story." At the close a collection was taken up for the benefit of the Sunday school and refreshments were served.
